WARNING - MOTOR SPORT CAN BE DANGEROUS

Despite the organisers taking all reasonable precautions, unavoidable accidents can happen.
Please comply with all instructions of marshals and notices and remain in permitted areas only.

They are concerned with your safety

Abandonment or Cancellation

The organisers reserve the right, with the approval of the steward, to postpone, cancel or abandon the meeting or any part thereof should circumstances warrant such action.

Copyright

All literary matters in the official programme including the list of competitors and their racing numbers is copyright and any person making illegal use thereof will be prosecuted. It is also a condition of admission to any event held under an ACU Permit that no part of the meeting can be filmed or video recorded and/or video transmitted in any way without the written consent of the promoters/organisers and/or the ACU except for the sole purpose of private enjoyment.

Additional Notices

The organisers, the ACU and the landowners, do not hold themselves responsible for loss or damage howsoever caused to vehicles or goods left in the car parks. Please do not leave paper or litter behind, it all has to be cleared by tired voluntary helpers after the meeting.

Riding in the Paddock

Your attention is drawn to the serious consequences which could arise following an accident caused by unauthorised riding of any sort of machine in the paddock.

The riding of machines of any sort in the paddock and areas surrounding the circuit is totally forbidden. Because this event is on private property it is NOT outside the jurisdiction of the Road Traffic Act in terms of insurance.

It cannot be stressed too highly that liability for a substantial claim could rest with the owners of the vehicle and the driver (or the parent in the case of a minor).

The Union's insurers will quite legitimately repudiate any claim on them for damages arising out of the accident caused by an unauthorised driver.

**I hope you have had a great evening,
but please remember.....**

**.... this is where I live, so it would be
really nice if you would take your
litter home with you.**

WELCOME

A mid-week event combined with short sharp races completed in less than 3 hours means this is one of the most popular events of the year in terms of spectator attendance. The event also attracts a good selection of riders who are keen to show off their skills on the grass land track at Wattisfield Hall.

A big thanks to our principal sponsors for the event which are GH Motorcycles and GB Finch. Please take time to have a look at Gavin Hockey's stand in the pit area as Gavin has supported this event for many years.

We would like to extend our thanks to all programme advertisers, particularly Clarks of Walsham and Steve Lumley Planings from Bury St Edmunds who have supported the club with material to repair the track and the pit access road.

A big thanks also to the Wyatt family as we've now had the privilege of using this land since September 1962, plus the residents of Wattisfield village for their understanding and cooperation. Finally, I would like to extend our thanks to all marshal, officials, helpers and medical staff without them the event would not be possible.

We wish all riders, and their pit crews and families, a great evening's racing, and to everyone a safe event and safe journey home. Please take all your litter home as cows graze in these fields.

Wally (Paul Hubbard)

**Don't miss our NGR Championship round on Sunday 22nd September,
your only other chance to see motocross at Wattisfield in 2024.**

Knowledge, professionalism and experience are the hallmarks of Steve Lumley Planing.

We are proud to have been specialising in road planing for almost 35 years across the north coast of Norfolk, through Suffolk, Cambridgeshire, Essex and into Hertfordshire.

Our central location within the East of England, coupled with our expertise, makes us perfectly placed to work across all types of road planing, motorway and highways repairs and maintenance.

We also work at all major airports through the Eastern Region, supporting runways and taxiways removal and repairs.

Operating a 24-7 service from our state-of-the-art, six-acre headquarters in Bury St Edmunds, Steve Lumley Planing is proud to supply customers – big and small, national and local – with a modern fleet of road planing machines and supporting equipment.

We offer a one-stop shop for all planing needs with a fleet that includes tipper lorries, suction road sweeper, low loaders and purpose-built transporters.

This allows us to respond to any job with both professionalism and speed.
