SEE INSIDE CONDITIONS OF ADMISSION

WARNING - MOTOR SPORT CAN BE DANGEROUS

Despite the organisers taking all reasonable precautions, unavoidable accidents can happen.
Please comply with all instructions of marshals and notices and remain in permitted areas only.

They are concerned with your safety

Abandonment or Cancellation

The organisers reserve the right, with the approval of the steward, to postpone, cancel or abandon the meeting or any part thereof should circumstances warrant such action.

Copyright

All literary matters in the official programme including the list of competitors and their racing numbers is copyright and any person making illegal use thereof will be prosecuted. It is also a condition of admission to any event held under an ACU Permit that no part of the meeting can be filmed or video recorded and/or video transmitted in any way without the written consent of the promoters/organisers and/or the ACU except for the sole purpose of private enjoyment.

Additional Notices

The organisers, the ACU and the landowners, do not hold themselves responsible for loss or damage howsoever caused to vehicles or goods left in the car parks. Please do not leave paper or litter behind, it all has to be cleared by tired voluntary helpers after the meeting.

Riding in the Paddock

Your attention is drawn to the serious consequences which could arise following an accident caused by unauthorised riding of any sort of machine in the paddock.

The riding of machines of any sort in the paddock and areas surrounding the circuit is totally forbidden. It cannot be stressed too highly that liability for a substantial claim could rest with the owners of the vehicle and the driver (or the parent in the case of a minor).

The Union's insurers will quite legitimately repudiate any claim on them for damages arising out of the accident caused by an unauthorised driver.

**I hope you have had a great day,
but please remember.....**

**.... this is where I live, so it would
be really nice if you would take
your litter home with you.**

WELCOME

It is great to have the NGR and the South Eastern EVO riders back at Wattisfield Hall competing for their championship in the last event of the year at this venue. This group of riders is supported by Allcomers class of expert and junior riders.

We would like to extend our sincere thanks to all our programme advertisers, especially Clarks of Walsham and Steve Lumley Plannings from Bury St. Edmunds, who have generously supported the club with materials to repair the track and access roads. A big thanks to Evan Worby Carpentry and Fitting Services for sponsoring the fastest lap at all meetings held at Wattisfield this year.

A special thank you goes to the Wyatt family for allowing us the privilege of using this land since 1962, and to the residents of Wattisfield village for their ongoing understanding and cooperation. Finally, we are deeply grateful to all the marshals, officials, helpers, and medical staff whose dedication makes this event possible.

We wish all riders, their pit crews, and families a fantastic day of racing. We also wish everyone a safe event and a smooth journey home. Please remember to take all your litter home.
